Firestar

[image]

"You lived like a rouge. You can die like a rouge."

Hollyleaf

"I couldn't to...to leave without knowing my mother."

Flametail

"Such calm, such quiet...don't fight it."

Bluestar

"You will be Firestar, the light of ThunderClan."

Cinderpelt

"StarClan is calling for me. Goodbye, Leafpool."

Yellowfang

"I only regret that I will miss watching what StarClan destined you to be."

Tigerstar

First Death
"Traitor!"

Second Death
"The moment Bluestar found you, I became nothing! I have waited all this time to have my revenge! When you're dead, I can rule the clans or kill them!"

Scourge

"How...I killed you!"

Whitethroat

"He's dead!"

Snowkit

"Sall' right."

Brindleface

"May StarClan go with you."

Silverstream

"Goodbye Graystripe, I love you. Take care of our kits for us."

Tallstar

Onewhisker will be leader once I'm gone.

Honeyfern

Help me! My blood is on fire! Please, it hurts so bad."

Hawkfrost

"Think again!"

Shrewclaw

"Wormcat? Avenge Brackenwing for me."

Appledusk

"I don't want to fight you, Mapleshade."

Feathertail

"I won't. I'll always be here for you."

Longtail

"Then I'll get it!"

Mapleshade

"Leave me alone, I don't need you anymore."

Swiftpaw

"Don't worry! Nothing's here!"

Spottedleaf (Second Death)

"That was never going to happen, my love. I can not journey with you anymore, I'm sorry."

Brokenstar

"What did you feed me?"

Russetfur

"Blackstar!"

Whitestorm

"Trust your heart, Firestar. You have always known Graystripe is the destined cat to be your deputy."

Heatherstar

"Have courage my friend, and always follow your heart. WindClan is yours now, Tallstar."

Dustpelt

"This is not where I want to be."

Ravenwing

"Mapleshade, what are you don't here?"

Spottedleaf (first death.)

"Take care, Firepaw."

Stonefur

"You'll have to kill me first, Tigerstar!"

Dappletail

"Do you call yourself a leader? The whole clan will starve, and it'll be all your fault!"

Frostfur

"Good hunting."

Sootfur

"Can't, can't climb."

Shredtail

"It's a shame that you're badger friend won't fight for you!"

Swoop

"No, help! Crag, Splash!"

Redwillow

"Why don't you just give up and die?"

Mousefur

"You took your time. Always late, that's your trouble."

Beetlewhisker

"StarClan help me!"

Mosskit

"Can we go home yet?"

Snowfur

Can't believe that I haven't done her yet! Especially considering when I first discovered Warriors she was my favorite cat. My new favorites are Bramblestar (kind of) and Lionblaze.

"You don't escape that easily!"

Leopardstar

"Perhaps it was for the best, but I would have been proud to call you my daughter, Mistyfoot."

Ashfur

"I'll purr over whatever will happen after I reveal the truth."

Redtail

"Are RiverClan cats unable to fight their own battles?"

Lionheart

"Remember, you are almost a warrior. Don't forget what I taught you."

Seedpaw

"Bu...but I'll never become a warrior."

Ferncloud

"Hide! I *won't* let any cat die!"

Ravenpaw

"I will wait for you. Wherever you are, I will find you."

Weedwhisker

"You've hardly left me anything to rest on."

Larksong

"Maybe Thrushpelt has waited long enough."

Shellheart

"I bet she's now watching you from StarClan, regretting how much she's missed."

Willowbreeze

"Silverkit, they are *lovely* names."

Acornpaw

"We've been hunting for days! I can't wait to try the sky-drop again!"

Skywatcher

"Farewell, Firestar. In seasons to come, remember me."

Moonflower

"Hurry!"

Lionheart

"Don't forget what I have taught you."

Rippletail

"That's our's."

Badgerpaw/fang

"I hope that Brokenstar is proud of me...a-and my mom."

Gray Wing

"I am."

Greypool

"They were beautiful kits, and now they're fine warriors."

Ravenwing

"Mapleshade? What are you doing here?"

Frecklewish

"Am I going to die?"

Crookedstar

"My family is here waiting for me, when my ninth life has passed."
